

The primary purpose of the Hinton Healthcare Foundation is to **enhance the quality of healthcare in our community** by raising money for the priority and specialized needs of the Hinton Healthcare Centre.

The Foundation **invites you and your family to be supporting partners** in their efforts to ensure the hospital is able to not only sustain but also expand its provision of quality healthcare services,

The Hinton Healthcare Centre provides excellent care to the residents who live and work in Hinton and surrounding areas and recently received an "A" rating putting the facility in the **top 9% across the country**. It is currently the regional obstetrical, surgical, stroke and cancer treatment centre. The hospital also provides best practice emergency, medical, palliative, and many other Allied Health services.

Projects the Hinton Healthcare Foundation are currently and plan to support in the future are the Visiting Surgical Programs, expansion of the Community Cancer Clinic, upgrade of the Maternity and Palliative Care suites, all waiting rooms, as well as, the purchase of much needed capital equipment (surgical equipment for expansion of Orthopaedic program; upgrade of anesthetic equipment; infusion pumps and vital sign monitors for Acute Care).

Your financial support is both an investment in the present and future of patient care at the Hinton Healthcare Centre and opportunity to have a direct and positive impact on healthcare in our community.

**Thank you in advance – your support is vital to our success!**
